

MIDDLE GEORGIA JUSTICE

Special Edition Newsletter

October 2020

We have some exciting announcements!!

Our second annual "A Taste For Justice" fundraising event will take place soon. The event is virtual this year and will be a video with segments about the mission and activities of Middle Georgia Justice. It will also include entertainment features which will give you a taste of middle Georgia. We have come a long way in our quest to close the justice gap and we want you to know more about how we can work together to improve our community. Be on the lookout in November for an announcement about how to view the show online. We are very grateful to our sponsors listed below for their generous support in advancing our mission.

McClendon Law & Consulting, LLC
Mark G. Pitts
Charles R. Ruffin
Jack & Laney Sammons
Seekie Law Firm
Stone & Baxter, LLP**

We are also excited to announce we will be hiring our first staff attorney soon. This is a huge step for us and was made possible by generous grants awarded to us this year. Habitat for Humanity joined with us on one of the grant applications so one important task for the new attorney will be heirs property cases. We see many people who live in homes titled to deceased parents or other family members. As a result, they are unable to take steps to protect and maintain the property so it starts down the path to blight. The new attorney will also work on family law cases which is the greatest area of need in our community.
